Echos from Industry Session 2020

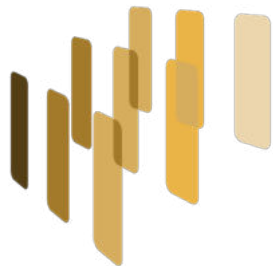

• Grid

- Datasets, corpora and tools
 - Open-source European Language Models
- Enrich one's products
 - Extend portfolio of languages offered
- Offer and showcase capabilities
- Robustness / Scalability / Efficiency / Configurability

• Community

- Search for experienced subject matter experts
 - Legal, commercial advice/consulting
- Potential partnerships, joint projects
 - Joint submissions and client acquisition
- Legal sharing of data (-sets)
- Education / Training / Meet-Up's
- Raise awareness of an industry that is quite powerful in Europe -> high export potential!

Gregor Jarisch, Weber Consulting

The European Language Grid has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement № 825627 (ELG).
